

# Detector

Series

## SM01-ZB

Large area of smoke inlet mesh, the smoke intake doubles, the smoke concentration is quickly sensed, and the dangerous fire situation is detected in time.

## Specification

Overview			
Power supply mode	DC3V, 1 CR123A battery Operating	Shell material	PC+ABS
Temperature	-10°C~+55°C	Low voltage alarm	Support
Communication method	WiFi/Zigbee/FSK/Z-wave/ LoRa	Dimensions	55 X 55 X 49 mm
Anti - disassembly design	Support
